

Ten-Minute Testimony (TMT)

I want to say thank you for allowing God to use you for his Glory by you sharing with us your life story. Your testimony can be used to get people in position to accept Jesus Christ; God uses it to set the table for the presentation of the Gospel and to get people ready to hear the Word of God.

Here are a few tips for you:

- 1) The moment you know your date start praying for the hearts of those that will be present
- 2) Take some time to right down some highlights of your life on paper.
- 3) Remember that your story should have a beginning, middle and an ending.
- 4) You only have 10 minutes, it's an overview as you share your past don't go into details
- 5) Remember you have a mixed audience, coed and people of all ages. Don't speak out sexually graphic words. You can simply say that you were promiscuous or sexually active or immoral
- 6) Don't spend all your time telling us what you used to do wrong and then cap it off by saying then I accepted Jesus.
- 7) We would love to know about your parents, siblings, where you are from and what are some of the things that pulled you away from Christ.
- 8) We would love to hear what it was that God used to bring you to repentance, the people that he used and how it happened
- 9) Share where you are in your faith right now and some things that you want to see happen in the future in your journey

Know that your testimony can bring a great time of healing for you and others, as you are transparent and open to what you have been through and what God has brought you through.

Understand that you have been asked to give a 10 minute testimony, there is no way that you can share what you have been through, what God has done or what you are believing him to do in 10 minutes. This is just a summary. Don't take it as disrespect and definitely don't try to cram more into it than you should. Leave some mystery, so others can one day inquire more of your story.

Please be respectful of the time and you can look at the clock that is provided on the left hand side on the floor.

If you pass the time know that someone from Eldership will slowly walk up and help you rap up, at that time we will believe that you are having a hard time finishing and we will assist you in closing.

Last thing on the day that you are to share your TMT you must attend prayer at the chapel to participate in the service, prayer starts at 8:45am sharp.

Thank you for being a part of our church and sharing your testimony for the Glory of our king and his saving grace
